## BRIEF INTRODUCTION

Zhejiang Ruishen Auto Parts Co.,Ltd was established in 1998 which is a professional manufacturer for automobile starters. The company is located in the International Automotive & Motorcycle Parts Industry Zone of Rui'an City. Our building area covers more than 15000 square meters. And We have excellent geographical position and convenient traffic: Only 500 meters from the Wenzhou-Fuzhou Expressway's Rui'an North Exit. And 15km from Wenzhou Longwan Airport.

Ruishen specialized in producing starters and its spare parts –armature, solenoid, stator, filed coil etc which are applied to cars, heavy duty trucks, commercial vehicles and industrial vehicles. We have 5 workshops, 6 starter complete appliance assembly lines and starter spare parts assembly lines, and more than 100 sets of manufacturing equipments and testing machines are equipped. Including CNC machining centre, high-voltage withstand tester, dynamic balancers, solenoid tester, and imported DV starter tester. Now we have 40 senior engineers and technicians, total more than 200 staffs. With strong developing ability and technical support, we are able to develop 80 to 100 new items annually. We have the production capacity of 600,000pcs starters, 1000,000pcs armatures, 1000,000pcs solenoid. It mainly covers fgd Bosch, Mitsubishi, Valeo, Nippondenso, Hitachi, Delco, Ford Series which applied to Mercedes, Volvo, Scania, Man, Daf, Renault, Isuzu, Hino, Toyota, Mitsubishi, Nissan, Hyundai, Ford, Lada vehicles. We passed the ISO9001:2000 Quality system Certification and are applying ISO/TS16949 management system.

Adhering to the mission of "Quality First", with the excellent quality and favorable international credit, we have established business relationship with more than 60 countries and regions. Our products have been exported to Europe, American, Southeast Asia and Middle East. And they are highly appreciated by our customers.

Zhejiang Ruishen Auto Parts Co.,Ltd consecutively follows the management tenet of "Maintaining Customer Interest Is The Benefit Of Enterprise". We warmly welcome customers from both at home and abroad to cooperate with us. We believe that we will become a famous enterprise in the global automobile electrical industry in the near future.
